

Lyrics Nadador

Estrada/Dudu Tucci (Track 03)

Good road for walking, feet on the ground, looking at you,
simple road for dreaming, unpaved, and in the dust I can see the dawn.
My ticket to life is you, morning star.
Everything is easy to dream of, morning sun, only with you I know how to live.

I am yours as the moon, the stars and peace belong to the sky.
