

Lyrics Nadador

Gol Glorifica/Dudu Tucci & José Leal (Track 15)

In the morning, a young man wakes up to play the unpredictable game of life.
He walks to work, at work he kicks the ball around, in the bag his football boots, a
bit of bread.

And a ball made of cloth is his dream, his star sheltered in his heart.

He is a football star, a football star, one day he missed school, he missed school.

He writes on the field, plays pen, plays word, with the ball he shines, he shines with
the ball, he plays ioiô, elastico, totó and bicicleta.*

"A goal is for scoring"

He is an artist on the green stages of life. The ball touches the net, he finishes off,
scores a goal and the spectators glorify him: "score a goal, score a goal". And the
spectators "glorious goal, glorious goal"

Go for it, go for it, go for it, go for it, go for it...score that goal

Score that goal...

Score that goal...
