

Lyrics Nadador

Shakehands/Dudu Tucci (Track 12)

Portugal discovered Brazil, Americans the moon, Mars and space; and you, what have you discovered?

Sicily discovered the mafia, the Incas discovered coca leaves.

England discovered imperialism, Bill Gates computers and money.

Moses the 10 Commandments, Jesus discovered love, and you, have you discovered?

Mankind discovered death, fame and Hollywood, death, fame and Hollywood, death, fame and Hollywood, death, fame and Hollywood.

Gutenberg discovered the printing press, but didn't think of deforestation, manipulation and censorship.

Cain discovered the crime of envy, Abel murder. And you, have you discovered?

Cavemen discovered fire, modern man weapons and the Stock Exchange.

Africa discovered the drum and the reality of being explored

Africa discovered the drum and the reality of being explored

Africa discovered the drum and the reality of being explored

And you?
